MVM District Of Santa Barbara County  
Brian Passaro  
PO Box 1389  
Summerland, CA 93067

Dear Brian Passaro,

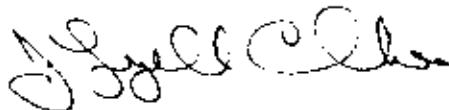

Thank you for your recent participation in the Clarke Early Order program. This year your purchase will help to save lives in Kanke, Nigeria.

Based upon your purchase, 40 DuraNet long-lasting insecticidal bed nets have been donated to The Carter Center in the name of the MVM District Of Santa Barbara County. These nets are specifically targeted to help provide protection from malaria and lymphatic filariasis. Until now, bed nets have been scarce and families must decide which family members can sleep under the nets, and which must sleep outside. Your support contributes to the goal of sending 38,000 bed nets to Kanke, Nigeria, to protect all of the people.

Please accept our appreciation for your support of the Clarke/ Carter Center's Kanke net project. For more complete information regarding this program or how to donate, visit the Clarke website at: [www.clarkemosquito.com](http://www.clarkemosquito.com). Clarke will match, net-for-net, all donations until we reach our goal of 38,000 nets. As a result, one \$10 donation sends 4 bednets to Kanke – far more than any other net donation program.

Together, there is hope for a healthier future for the people of Kanke.

Sincerely,

J Lyell Clarke
